

WEEKLY UPDATE

May 22, 2020

Dear Residents and Families/Representatives,

It is hard to believe that it has been over two months since COVID-19 so drastically changed our lives. We have all had to make big adjustments in an effort to keep everyone in our community safe, and we appreciate your support as we continue to take all necessary steps to prevent further spread of COVID-19 in our facility.

We are happy to report that we have not had any additional cases of COVID-19 in our facility since our update last week in which we reported we had one staff member test positive for COVID-19 back in April.

Our staff is committed to making Retama Manor a COVID free facility and we will continue to implement and practice enhanced safety precautions recommended by our federal, state and local health officials, such as, only allowing essential personnel inside the facility, performing regular screenings for signs and symptoms of illness prior to entering the building, continually monitoring residents, performing regular deep cleanings, using PPE as recommended by the CDC, providing individual activities as opposed to group activities, implementing isolation protocols as required, and reminding and encouraging staff to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community.

As a reminder, we will continue to post updates on our facility website and we will individually notify representatives/families regarding a resident's condition if he/she tests positive for COVID-19 or is displaying symptoms of COVID-19. If you have any questions or concerns please contact us directly at 361-575-6457.

Sincerely,

A handwritten signature in black ink that reads "Oscar R. Flores, MS, LNFA".
