

WEEKLY UPDATE

June 3, 2020

Dear Residents and Families/Representatives,

As we approach summer and states are starting to reopen slowly, we want you to know that the staff at Retama Manor Victoria continues to work hard to keep our residents safe and we are still following all recommendations of our federal, state and local health officials to prevent the spread of COVID-19.

We are happy to report that, as of today, we have no confirmed cases of COVID-19 in our facility. Facility wide testing was conducted on Thursday, May 21, 2020. A combined total of 176 individuals including all staff and all residents were tested. Facility received results last week. We continue to focus on deep cleanings and keeping our residents engaged and active with social distancing activities.

As a reminder, only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website <http://www.retamamanorvc.com/index.html> for updates. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly 361.575.6457.

Sincerely,

A handwritten signature in black ink that reads 'Oscar R. Flores, MS, LNFA'. The signature is written in a cursive style.
